

Letter to Our Valued Clients

John Discerni, RPH, MBA

President of Medical Purchasing Solutions

Dear Client,

First, I want to thank you for allowing us to serve you with our product and service offerings. At Medical Purchasing Solutions, we pride ourselves in providing customized Pharmaceutical and Medical Supply Solutions through our excellent Sales Representatives and Staff.

As we remain committed to outstanding customer service, we also share in the responsibility to prevent diversion and abuse of Controlled Substances. As part of this effort and as a requirement of the DEA "Know Your Customer" policy, we ask each of our customers to provide information that enables us to "know" the offices to which we are providing controlled substances. We thank you for your support in this endeavor.

Sincerely,
